

You can use this address:
Gillin Boathouse, Saint Joseph's University,
2200 Kelly Dr, Philadelphia, PA 19129

Take the Walt Whitman bridge so you will be on Kelly drive before the blocked off area near the St Joe's boat house/ boat trailers/ starting line.

Some people like taking the Ben Franklin Bridge, but I only use that when leaving the races returning home.

I-76 W Walt Whitman Bridge into Philly to

I-76 W Exit 340A Kelly Dr.

This exit is tricky. You will take the 'Y' to the left,(see pic below) but do not go in far left lane/ need to be in the second to left lane. because 340A is the 1st right exit around the left bend.

Exit 340A

After exiting at 340A get in far left lane (quickly) crossing the bridge and **Exit Left on Kelly Drive**

Kelly Drive will be blocked a couple hundred feet from boat trailer parking.

EHT Food Tent is halfway down the course.

GPS coordinates (yup – we have these) are 39.990728,
